Tuesday Session 6.1
Working group and Session 7 intro

Winning teams and Mentoring

What We did- Yesterday

Monday- Considered hard facts:
- *Created an Infographic*
- *Priority skills areas*
- *Big data and changing technology needs:* **Capture, Compute, Create, Collaborate**

Today (Tuesday)
- **Combining the above with SDG's into an**
- **Agenda / Call for Action format**

Winning Teams

Elite sports
- Look back to take stock, but
- Look forward to progress
- Winning teams have as one of their key components, diversity and inclusion (- see height!)

- This also means societal…..

High Performance Teams

Inter- generational benefits
- Skills, collaboration, pooling
- Clarity
- Culture
- **….Mentoring**

SDGs

Reflection that:
- Preparing for post 2015
- Milestones: Goals agreed, Targets and indicators
- Habitat III, Quito, Ecuador Oct, 2016

African Regional Network – Nairobi 2015 F|I|G

African Regional Network – Nairobi 2015 F|I|G

Workshop Output – 4 A's

- Develop a call for action for inter - generational diversity in the current and future work place,
- Devise appropriate priority areas for those operating in the land professional sector across Africa
- Design a communication tool capable of being used by Member Associations

- **WG 6.1…**

African Regional Network – Nairobi 2015 F|I|G

Group Work 6.I - Your Task

Devise a communication tool, this is your Agenda for / Call to Action:
  – Use your Infographic on generational skills
  – Merge big data hard facts
  – Include the contribution to be made by land professionals to the SDG land targets,
and
  – Means to measure the impact on society using the SDGs

- Flash presentation in the market place at 11.00 am…
