Inform & Inspire FIG Community on SDGs on FIG website and FIG Communication channels

- 🌍 Within the FIG Community a lot is being achieved and developed in relation to the SDGs
- 🌍 Role of FIG to give the FIG community access to the latest updates, relevant publications and information about the work of the FIG members and the FIG partners on the SDGs

Taking the above in account, resulted in the decision to prepare a special section of the FIG Website for a **‘virtual publication’ with regular updates on the SDG’s for and from the FIG Community.**

'Virtual publication' on FIG Website

On this page the FIG community can find information about the relevant SDGs:

- 🌐 Relevance of the SDGs for the FIG community
- 🌐 How the SDGs and the work of commissions are connected
- 🌐 Overview of papers and contributions during FIG events.
- 🌐 Overview of relevant partners and stakeholders, specifically on the SDGs
- 🌐 Links to relevant publications from FIG members
